Members present: Keith Gilbert, Joel Kennedy, Steve Nelson, Paul Rolvaag, Jon Hartman, Gregg Larson

The board met to discuss an action plan for Zebra Mussels:

The latest estimate for an extended survey is \$1350. Ramsey county will kick in \$1000, and is asking LJIS to pay the remainder.

Joel proposed that we commit no more than \$1000 to the zebra mussel survey. Motion by Paul, seconded by Jon. All in favor.
